Patient information

Scent-free:

Capital Health is scent-free. Please do not wear scented products such as perfume, aftershave lotions, hair spray, shampoo, lotions, deodorant, and fabric softener when visiting Capital Health. You may be asked to remove scents or return at another time.

Identification/type:

You will be asked to present your valid health card at each visit. If you do not have a valid health card, a second unique identifier will be required; for example, a passport number. For more information, visit our website: www.cdha.nshealth.ca/pathology-laboratory-medicine-5

Children:

Children must be supervised by a parent/guardian at all times in the blood collection waiting room. See child friendly locations below.

Collection wait times:

Wait times can vary depending on location and patient volumes. Early morning is often the busiest time.

More information:

Please visit our website for more information: www.cdha.nshealth.ca/pathology-laboratory-medicine
